Proceeds From This Charity Event Will Benefit “Catastrophic Aid for Real Estate (C.A.R.E.)”

C.A.R.E. (Catastrophic Aid for Real Estate) provides financial aid in the form of financial grants to qualifying parties suffering from catastrophic circumstances. Substantial grants, as well as non-financial support, has been given to many individuals and families in our community over the past several years.

C.A.R.E. is a 501(C)(3) non-profit organization that represents individuals in real estate who in large part rely upon commission sales income. Some of these members of our community have limited or no access to disability, health insurance, unemployment insurance, and other resources. As a consequence, when tragedy strikes, some have no where to turn to for immediate need. Under such circumstances, C.A.R.E. makes attempts to serve as a “safety net” when it is able.
